Further, we report that:

1. We have obtained all the information and explanations, which, to the best of our knowledge and belief were necessary for the purpose of Audit.
2. In our opinion proper books of account have been kept by the political party. They have withdrawn very huge amount of cash for distribution and for payments regarding Rally, Meetings and Publicity for Election. There is lack of evidences regarding Expenditures made towards distribution and towards rally and other election related expenses.
3. The Balance sheet, Income and Expenditure Account dealt with by this report are not in agreement with the books of accounts Payments made through Bank Account are also not possible to verify whether the same are made towards the expenditure shown in Income and Expenditure Account. It is also not possible for us to verify Cash expenses as there is no such evidence provided to us for verification.
