Voter Guide

Towards making elections accessible for
Persons with Disabilities & Senior Citizens

PREFACE

Election Commission of India is proud to present the Voters' Guide for Persons with Disabilities (PwDs) and Senior Citizens. This guide is a culmination of our latest initiatives, thoughtfully compiled to articulate the rights and facilities available to Persons with Disabilities and Senior Citizens voters, whether choosing to vote at polling stations or from the privacy of their homes. This guide endeavours to empower electors with knowledge and resources, ensuring their participation in the electoral process is informed, comfortable, and dignified.

Election Commission of India remains committed to ensuring that every voters journey from roll to poll is as seamless as it is significant. Let us together celebrate the festival of democracy with enthusiasm, inclusivity, and the unwavering belief in the power of every vote.

No Voter to be Left Behind

Constitutional and Legal Provisions

A. Constitutional Provisions

Article 324

The Constitution vests with the Election Commission, the powers for superintendence, direction, conduct of elections and maintenance of the electoral roll.

Article 325

No person shall be ineligible for inclusion in, or to claim to be included in a special, electoral roll on grounds of religion, race, caste or sex.

Article 326

Elections to the House of people and State Legislative Assembly shall be conducted on the basis of Adult Suffrage

B. The Representation of the Peoples' Act, 1951

Section 169 (1) authorises the Central Government, after consulting the Election Commission, to make rules under the Act, by notification in Official Gazette.

Section 169 (2) (c) provides power to make rules prescribing the manner in which votes are to be cast in case of illiterate voters or those with physical and other disability.

C. The Conduct of Election Rules, 1961

Rules 25 and 27 G permit assistance, on request, to an illiterate or physically infirmed voter in casting one's vote.

Rule 40, 49 N and 49 P(4) allow a visually impaired voter to take assistance of an adult companion in the voting compartment.

D. The Right of persons with disabilities Act, 2016

Section 11 of RPwD Act, 2016 regarding accessibility in voting mandates that the Election Commission of India would ensure that all polling stations are accessible to persons with disabilities and all material related to electoral process are easily understandable by and accessible to them.

Things to know prior to Poll Day

Know your BLO (Booth Level Officer)

Booth Level Officers (BLO) are responsible for keeping the part of the electoral roll, corresponding to every polling station, updated. They physically visit every house to ensure the fidelity of the list. Every elector is advised to keep in touch with the concerned BLO, generally a resident of that locality. An elector can know the details of his/her BLO through Voter Service Portal, Voter Helpline App and Saksham-ECI App.

Search name in the electoral roll:

Possessing an EPIC (Electors Photo Identity Card) is not sure entitlement for voting. One must ensure one's name in the electoral roll. The electoral roll is now updated four times a year to maintain its fidelity. The same can be checked both in online and offline mode.

Home Voting Facility for PwD (with Benchmark Disability) and Senior Citizen (Above 85 years)

The Election Commission of India encourages all electors to come out and vote at their respective polling stations. However, for those who still cannot vote on-site for reasons of physical disability or advanced age, among others, the concept of Absentee Voter (AV) has been introduced in recent years. To avail this facility, an elector has to be a Person with benchmark Disabilities or Senior Citizen of above 85 years. The voting would be by postal ballot paper, and ahead of the normal poll date. Complete secrecy of the ballot would be maintained, as the ballot paper would be sealed in a double envelope to be delivered to the Returning Officer.

Eligibility conditions to cast vote through postal ballot by PwD/Sr. Citizen Electors:

Persons with Disabilities (AVPD): An elector who is marked in the database for electoral roll and having a benchmark disability certificate (not less than 40% of a specified disability) as certified by the concerned certifying authority, under Section 2 of the Rights of Persons with Disabilities Act, 2016. The elector in this category while submitting the application in Form 12D has to enclose a copy of benchmark disability certificate with it.

Senior citizens (AVSC):

An elector above 85 years of age. The age is mentioned in the electoral roll database and the elector is not required to give any additional certificate or undertaking with Form 12D.

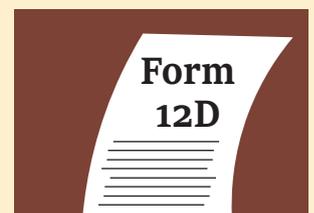

Standard Operating Procedure for Absentee Vote by Postal Ballot

Step 1 : BLO will visit the houses of the absentee voters (above 85 years age and PwD with benchmark disability) as per the details provided by the Returning Officer and deliver the Form-12 D to the concerned elector and obtain acknowledgement from them.

Step 2 : BLO will collect the filled in Form-12 D from the house of the elector, who opt for it, within 5 days of the notification and deposit with the Returning Officer forthwith.

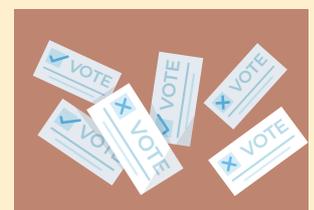

Step 3 : All the electors whose particulars in Form-12 D have been found correct will be issued a postal ballot paper. A team of polling officials along with micro observers shall visit the electors at the address mentioned in their Form-12 D application.

Step 4 : Identity of the elector shall be verified. Elector will be given the postal ballot. Elector will mark his vote and place the ballot in a smaller envelope.

Step 5 : The duly filled up and signed declaration in Form 13A attested by the authorised poll officer along with closed envelope (Form 13B) containing the marked ballot paper shall be placed inside the larger envelope (Form 13C)

Step 6 : Close the larger envelope and hand over the same to the poll officer.

Facilitation Apps of ECI

Mobile applications (Apps) are assets, in the digital era. Election Commission of India has several trusted mobile applications that electors will find useful and convenient to use. These are available in both Android and iOS versions, and downloadable for free. Here are a few that Persons with Disabilities (PwD) and Senior Citizens could use with benefit.

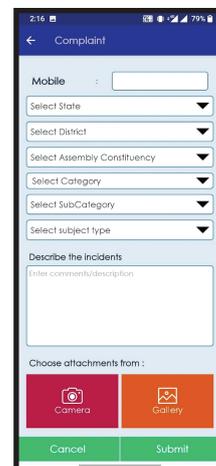

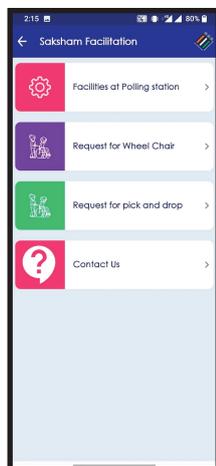

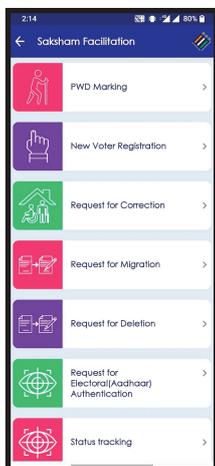

Saksham-ECI App

Saksham-ECI App is the digital enabler for Persons with Disabilities (PwD).

Key Features
