Sir/Madam,

Under Article 324 of the Constitution, Election Commission of India is vested with the responsibility to conduct free and fair elections. Concerns have been expressed in various quarters that money power is disturbing the level playing field and vitiating the purity of elections. To curb the abuse of money power during elections, the Election Commission has issued several instructions in the past to the candidates and political parties from time to time.

2. It is desirable for the political parties to observe transparency and accountability in respect of funds raised and expenditure incurred, both during elections and in other times. Further, in the interest of conduct of free and fair elections it is necessary and expedient to provide guidelines for bringing transparency and accountability with regard to fund of political parties.

3. In order to formulate the guidelines, the Commission sought comment/suggestions/inputs from all recognized political parties. While most of these parties supported the issue of transparency guidelines, some other had a different view. Having regard to the suggestions received from the political parties and in the interest of purity of election process, the Commission hereby issues the following guidelines under Article 324 of the Constitution, to bring transparency and accountability in funding of political parties:-
